

Ho-94
Samuel Powell House
Ellicott City
Private

circa 1840

The Samuel Powell House is a three bay wide, three story high, gabled roof (running east-west) brick structure (laid in English garden wall brick bond) now covered in stucco whose first floor is taken over by display windows and a rectangular entrance east of center. The building is built into the granite slope on the north side of Main Street so that its third floor becomes its first floor on the north elevation. The north side of the lot is terraced. Rectangular fenestration is proportionally scaled and vertically aligned.

Owned by Jonathan Ellicott and noted as lot #140 on his sale plat, the lot was part of a tract of land called "West Ilchester."

DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

The Samuel Powell House is set into the granite slope of the north side of Main Street so that its third floor becomes its first floor on the north elevation. It is a three bay wide, three story high, gabled roof (running east-west) brick (laid in English garden wall brickbond) now covered in stucco whose first floor is taken over by display windows. A two story high, frame, shed roofed appendage springs from its north wall.

South Elevation

The south elevation's first floor is taken up with display windows (two large one light windows and a double, double-hung rectangular window, each side holding one-over-one lights). A rectangular entrance door is located east of center which is surmounted by a one light transom. A wooden cornice and architrave, decorated with scrolled brackets runs along the top of the first floor facade with a shed roof, aluminum, one story high awning running along the entire south elevation. Three second and third floor double-hung, rectangular windows, holding two-over-two lights punctuate the south elevation. These are vertically aligned and proportionally scaled. Flat wooden sills decorate all the windows.

West Elevation

The west elevation holds a two light ground floor window, a two-over-two central second and third floor window with a four light casement attic window south of center. The wooden frame addition on this elevation holds a rectangular, double-hung second and third floor window with two-over-two lights. Small square brick chimneys are inset into the center of the east and west walls of the original brick building.

East Elevation

There is a second floor rectangular, double-hung window with one-over-one lights and a square attic window on this elevation of the brick structure. A flight of iron stairs, three foot alley and a second flight of covered wooden stairs separate the building from its neighbor on the east.

The property's shed roof frame addition is almost level with the ground on the north which slopes steeply northward and is terraced by the use of retaining walls with a flight of wooden steps on the east side for access to the higher level, a garden which goes to the Jenkins House property line.

STATEMENT OF SIGNIFICANCE

The Samuel Powell House, presently John Votta's Shoe Repair Shop, is located on the north side of Main Street. It was part of a tract of land called "West Ilchester" designated as lot #140 on the Plat of the late Jonathan Ellicott in the sale of his property. Robert Mickle, trustee of the estate, conveyed this lot to Samuel Powell for the sum of \$400 on December 9, 1840 "together with the improvements, rights... privileges, appurtenances, advantages thereunto belonging or appertaining and the ... rents, issues and profits thereof." (Howard County Land Records #4-386)

On the 30th of December, 1856 Samuel Powell and his wife Mary Ann conveyed the property to George Smith for \$300 "together with the improvements (building) ... appurtenances ... and remainders, rents, issues and profits thereof." This deed also mentions the alley indicated in the present verbal description of the property. (Howard County Land Records WWW 20-194) Prior to June, 1868 a William and Susan Brosius et al (including Joshua and Christiana Taylor) owned the property. These owners sold it to Martin L. Rodey for \$800 on the 4th of June, 1868. (WWW 28-304) Mr. Rodey ran a saloon here and a German beer garden in back. A deep cave, sixty to seventy feet from the top of the ground is in the back of the ground floor of this building in which they kept the beer. A spring is also located here.

On June 3, 1891 Mr. Martin L. Rodey conveyed the property to Matthew Powers for the sum of \$1500 "together with the buildings and improvements thereupon erected." (Howard County Land Records #57-355).

On the 18 of November, 1915 Mr. and Mrs. Powers conveyed the property to Mr. and Mrs. Isaac H. Taylor (HBN #100-202) for the sum of \$3,000

On the 29 of May, 1923 Mr. and Mrs. Taylor sold the property to Joseph and Anne Navicki who for some fifteen years ran a shoe repair shop here, selling it on December 17, 1937 to John and Ida Votta who continued the same use of the property to the present day. (BMJr. #159-45).

Please see last paragraph of significance statement for Ho-62.
