NOTE: The origin of the coordinates shown hereon is assumed.

This area designates a private sewage easement of approximately 10,000 SF as required by the Maryland State Department of Health for individual sewage disposal. Improvements of any nature in this area are restricted until public sewage is available and servicing any residential structure constructed on these building sites. This easement shall become null and void upon connection to a public sewage system. These septic areas have been field located.

Note: Septic systems must be constructed prior to issuance of building permits.
