RE: WP-16-132, ICM Jessup Asphalt Addition
(SDP-15-041)

Dear Owner:

The Director of the Department of Planning and Zoning considered your request for a waiver from the Howard County Subdivision and Land Development Regulations.

As of the date of this letter, the Planning Director **approved** your request to waive Section 16.156(l)&(m) of the Subdivision and Land Development Regulations which states that the developer shall pay all required fees to the County, post all sureties for required developer's agreements and submit the original mylar site development plans within 180 days of receiving technically complete approval from the Department of Planning and Zoning.

Approval is subject to the following conditions:

1. The deadline date to post all monies and/or file appropriate surety for the required developer's agreements and submit the site development plan to the Department of Planning and Zoning is hereby extended for an additional 90-days from the date of this letter (**on or before August 15, 2016**). If the above deadline is not met, the plan will become null and void and all previous approvals will be rescinded.
2. The site development plan shall address all comments generated with the review of SDP-15-041.

Review Comment – The waiver petition file number, requested section, approval date and conditions of approval shall be indicated on the site development plan as a general note.

Our decision was made based on the following:

Extraordinary Hardship or Practical Difficulty

The owner would face an extreme financial hardship if the waiver is not approved. The owner has spent thousands of dollars on purchasing the adjoining property, designing the site development plan, and purchasing off-site forest conservation easement credit. The applicant is currently working with the Real Estate Services Division to complete the Developer's Agreement process.

Not Detrimental to the Public Interest and Will not Nullify the Intent or Purpose of the Regulations

This waiver petition does not request the relaxation of any regulatory requirements but only request additional time to complete the Developer's Agreement Process. This waiver request, if granted, does not have any negative impacts on the Public or County.

Indicate this waiver petition file number, request, section of the regulations, action, conditions of approval, and date on all related plats, and site development plans, and building permits. This requested waiver will remain valid for the time period specified in the conditions of approval or as long as this site development plan remains in active processing.

If you have any questions, please contact Julia Boone at (410) 313-2350 or email at jboone@howardcountymd.gov.

Sincerely,

Kent Sheubrooks, Chief
Division of Land Development
