RE: WP-21-102, Chesapeake Conference Association of Seven-Day Adventist 12350 Hall Shop Road  
Virtual Meeting Request

Dear Sir or Madam:

This letter is to inform you that your request for alternative compliance to the Howard County Subdivision and Land Development Regulations for the subject property was reviewed.

As of the date of this letter, and pursuant to Section 16.104, the Director of the Department of Planning and Zoning considered and **approved** your request for alternative compliance with respect to **Section 16.128(c)(1)** of the Subdivision and Land Development Regulations to allow the petitioner to host a virtual presubmission community meeting during the COVID-19 State of Emergency.

The Department of Planning and Zoning hereby determines that you have demonstrated to its satisfaction that strict enforcement of Section 16.128(c)(1) would result in unwarranted hardship. This determination is made with consideration of your alternative compliance application and the four (4) items you were required to address, pursuant to Section 16.104(a)(1):

**1. Strict conformance with the requirements will deprive the applicant of rights commonly enjoyed by others in similar areas.**

The State of Emergency prohibits large indoor public gatherings across the State. To allow the continuity of operations and essential functions related to construction, the Department of Planning and Zoning developed guidelines for conducting virtual meetings that must be met for approval of alternative compliance. This alternative process will allow current applicants to submit development plans so they can to enjoy the same rights commonly granted to others wanting to begin the development process when social distancing restrictions are not in effect.

**2. Uniqueness of the property or topographical conditions would result in practical difficulty; other than economic, or unreasonable hardship from strict adherence to the regulations.**

The presubmission community meeting requirement is an administrative procedure required for most developments to begin the development process. Physical conditions of the property are not considered when applying the presubmission community meeting requirements. Therefore, this criterion does not apply.

**3. The variance will not confer to the applicant a special privilege that would be denied to other applicants.**

Alternative compliance to the physical meeting requirement will not confer a special privilege since it is the only means of conducting these meetings during the current State of Emergency and will be needed for all applicants during this time. The pre-submission community will be held through virtual means and DPZ will require that guidelines be met to ensure that all necessary information is provided and accommodations are made to assist people that may need assistance accessing technology.

**4. The modification is not detrimental to the public health, safety or welfare, or injurious to other properties.**

Conducting a virtual presubmission community meeting will comply with the State of Emergency, allow for social distancing and the policies enacted to protect the public during the COVID-19 pandemic.

Approval of this Alternative Compliance is subject to the following conditions:

1. The alternative compliance petition will remain valid as long as the Howard County State of Emergency is in effect.
2. The petitioner must comply with the Department of Planning and Zoning's Virtual Presubmission Meeting Guidelines for applying and hosting a virtual public meeting (attached).

Indicate this alternative compliance petition file number, request, section of the regulations, action, conditions of approval, and date on all related plats, and site development plans, and building permits. This alternative compliance will remain valid as long as the Howard County State of Emergency is in effect.
