FINAL DEVELOPMENT PLAN CRITERIA

The Area included within this Final Development Plan Phase is Applicable to Section 3 of the Village of Kings Contrivance Part II applies to Section 3, Area 2.

* b. No building or structure shall be located within 40' of any of the property lines of the project.

1. PUBLIC STREET AND ROADS - Section 122-C-3-b:
To be shown on subdivision plats, if required by the Howard County Dept. of Planning and Zoning, and the Department of Public Works.
2. PUBLIC RIGHTS-OF-WAY - Section 122-C-3-b:
2A To be shown on subdivision plats, if required by the Howard County Dept. of Planning and Zoning.
2B Vehicular ingress and egress to Maryland Route 32, Murray Hill Road and Vollmerhausen Road will be permitted only at points of access approved by the Howard County Dept. of Planning and Zoning, and the Department of Public Works.
3. MAJOR UTILITY RIGHTS-OF-WAY - Section 122-C-3-b:
To be shown on subdivision plats, if required by the Howard County Dept. of Planning and Zoning, and the Department of Public Works.
4. DRAINAGE FACILITIES - Section 122-C-3-b:
To be shown on subdivision plats, if required by the Howard County Dept. of Planning and Zoning, and the Department of Public Works.
5. RECREATIONAL, SCHOOL, PARK AND OTHER COMMUNITY USES - Section 122-C-3-c:
To be shown on the Final Development Plan, if required by the Howard County Planning Board.
6. PERMITTED GENERAL LOCATIONS OF BUILDINGS AND STRUCTURES - Section 122-C-3-d(1):
The term "structure", as used in this Final Development Plan Phase, shall include but not be limited to:

cornices	porches
eaves	bay windows, oriel, vestibule
roof or building overhangs	privacy walls or screens
chimneys	all parts of any building
trellises	dwelling or accessory buildings

All setback areas shall be clear of any protrusions, extension, or construction of any type, and where any land use is adjacent to a freeway or primary road, no structure shall be located within one hundred feet (100') of the right-of-way line thereof except, however, that structures may be constructed at any location within such setback areas if such construction is in accordance with a site development plan approved by the Howard County Planning Board.

The term "structure" does not include the following upon which no restriction as to location is imposed:

walks	excavation or fill
shrubbery	fencing under 6' in height
trees	retaining walls under 3' in height
ornamental landscaping	similar minor structures

Determination of the specific character of "similar minor structures" and setbacks applicable thereto will be made by the Howard County Dept. of Planning and Zoning.

Fences or walls, if located within setback areas adjacent to a public street, road, or highway upon which construction of structures is prohibited, shall not exceed 3' in height if solid or closed nor 5' in height if open, except in accordance with a site development plan approved by the Howard County Planning Board.

- 6A SINGLE FAMILY LOW AND/OR MEDIUM DENSITY
No structure shall be located upon lots devoted to single family low and/or medium density land use within 20 feet of any 50' street right-of-way nor within 30 feet of any 60' or greater street right-of-way, nor within 7 1/2 feet of any property line not a right-of-way line for a public street, road or highway, except, however, that structures may be constructed at any location within such set-back areas provided all structures and construction is developed in accordance with a site development plan approved by the Howard County Planning Board.

The Planning Board may, upon application, designate on a Subdivision Plat, a lot, lots or parcels, as "Common Open Areas" which will not be credited to "Open Space", but will be credited to the Single Family Low and/or Medium Density of the Phase in which it presently exists.

- 6B-1 APARTMENT LAND USE AREAS
Buildings and other structures shall be located within apartment land use areas as specified herein. All buildings and other structures must be constructed in accordance with a site development plan approved by the Howard County Planning Board.

a. No building or structure shall be located upon lots devoted to apartment land use within 30' of the public right-of-way of any public road or highway, nor within 100' of any road designated by the Howard County Planning Board as a primary highway or freeway. Any driveway necessary for ingress and egress to and from interior off-street parking areas or service roads shall not be considered a street.

- c. A minimum of 90' is required between parallel buildings or structures (front to front, rear to rear, front to rear). All other situations require a minimum of 40' between buildings.
- d. No parking spaces or access driveways to parking areas shall be nearer than 20' from an apartment building.
- e. Notwithstanding the provisions of paragraphs a thru d, buildings and other structures may be constructed at any location upon apartment land use areas, provided such construction is in accordance with a site development plan approved by the Howard County Planning Board.
- f. Apartment buildings and structures, including accessory buildings and structures, shall not be permitted to cover more than 30% of the lot or projected area.
- g. If under a single ownership and identical land use, no setback requirement applies to the common lot line between parcels.
- h. Section 110-D-2-C of the Howard County Zoning Regulations shall apply to all apartment land use areas.
- i. All open spaces in the project areas, except driveways and offstreet parking areas, shall be adequately planted and landscaped, as required by the Howard County Planning Board at the time a site development plan is submitted for approval.

6B-2 ATTACHED LAND USE AREAS

No structures shall be located upon lots devoted to attached land uses within 30 feet of the right-of-way of any public street, road, or highway, nor within 100 feet of the right-of-way line for a freeway or a primary road. Structures may be constructed at any location within such setback areas if such construction is in accordance with a site development plan approved by the Howard County Planning Board. Except as restricted by this Paragraph 6B-2, buildings and other structures may be located at any location within attached land use areas. Whenever an attached land use, single family dwelling is constructed, a maintenance agreement for the party wall side of the structure as well as any approved overhangs protruding onto the adjacent lot or lots must be included in the deed of conveyance and recording reference of same furnished to the Dept. of Planning and Zoning. All structures must be developed in accordance with a site development plan approved by the Howard County Planning Board.

Common areas in the project shall be adequately planted and landscaped, as required by the Howard County Planning Board at the time a site development plan is submitted for approval.

6D OPEN SPACE LAND USE AREAS

No structure within Open Space Land Use Areas shall be located within thirty (30) feet of the right-of-way of any public street, road, or highway; or within twenty-five (25) feet of any property line; except, however, that structures may be constructed at any location upon lots devoted to Open Space Land Use provided such construction is in accordance with a site development plan approved by the Howard County Planning Board. All structures must be developed in accordance with a site development plan approved by the Howard County Planning Board.

7. PERMITTED USES - Section 122-C-3-d-(2):

- 7A-1 SINGLE FAMILY LOW DENSITY LAND AREAS
All lots within single family low density land use areas shall be used only for single family detached low density residential uses.
The accessory use provisions of Section 108 of the Howard County Zoning Regulations shall be applicable.

- 7A-2 SINGLE FAMILY MEDIUM DENSITY LAND USE AREAS
All lots within single family medium density land use areas shall be used only for single family detached medium density residential uses.

- 7B-1 APARTMENT LAND USE AREAS
* Parcels A and D shall be devoted to apartment uses provided, however, that no more than 168 and 200 dwelling units may be constructed on Parcels A and D respectively.

- 7B-2 ATTACHED LAND USE AREAS
Parcels B and C shall be devoted to Attached Land Use provided, however, that no more than an overall average of eleven (11) dwelling units per acre for Parcel C and twelve (12) for Parcel B may be constructed upon such land and, further provided, that the attached dwelling units shall be constructed in groups having no more than ten (10) units attached to one another and shall be constructed in such physical relation to each other as may be specifically approved by the Howard County Planning Board as a part of the site development plan referred to herein in Section 6. Attached land use areas shall be considered as "apartments" for the purpose of application of the use limitations of Section 122-A-5-b of the Howard County Zoning Regulations. Division of attached Land Use Areas into individual lots to be owned individually, without front yard, without rear yard, and with groups of lots surrounded by common areas owned jointly by all lot owners or owned jointly by groups of lot owners, is expressly permitted on condition that there shall be provided at all times one or more areas adjoining such lots, for use in common by the owners, lessees, mortgagees and others having an interest in such lots may be under one or several ownerships and may be operated as rental units. No more than 160 and 97 dwelling units may be constructed on Parcels B and C, respectively.

- 7E-1 OPEN SPACE LAND USE AREAS
Lots 151, 152, 153 and 154 are to be used for all open space land uses, including but not limited to, pedestrian and bicycle pathways. These lots may be used for drainage and utility easements if necessary, provided that such easements are shown on the subdivision plat if required by the Howard County Office of Planning and Zoning.

8. HEIGHT LIMITATIONS - Section 122-C-3-d-(3):

- 8A SINGLE FAMILY LOW AND/OR MEDIUM DENSITY LAND USE AREAS
No structure shall be constructed more than 34 feet in height from the highest adjoining ground elevation adjacent to the building upon lots devoted to single family land uses.
- 8B-1 APARTMENT LAND USE AREAS
No structure shall be constructed more than 40 feet in height from the highest adjoining ground elevation adjacent to the building. No height limitation is imposed upon structures constructed within Lot/Parcels A and D provided improvements thereon are constructed in accordance with a site development plan approved by the Howard County Planning Board.
- 8B-2 ATTACHED LAND USE AREAS
No structure shall be constructed more than 34 feet in height from the highest adjoining ground elevation, except, however, that structures may be constructed to any height provided such construction is in accordance with a site development plan approved by the Howard County Planning Board.
- 8E OPEN SPACE LAND USE AREAS
No height limitation is imposed upon structures constructed within Open Space Land Use Areas provided improvements thereon are constructed in accordance with a site development plan approved by the Howard County Planning Board.

9. PARKING REQUIREMENTS - Section 122-C-3-d-(3):

- 9A SINGLE FAMILY MEDIUM AND/OR LOW DENSITY LAND USE AREAS
No less than two (2) off-street parking spaces containing a minimum area of one hundred eighty (180) square feet per each parking space shall be provided on each lot within single family land use areas, except that when driveway access is to a 60' or greater street right-of-way, two parking spaces shall be provided exclusive of any area encompassed by a garage, each with access to the street without crossing the other parking space.
- 9B-1 APARTMENT LAND USE AREAS
No less than 1 1/2 off-street parking spaces containing a minimum area of one hundred eighty (180) square feet for each parking space for each dwelling unit other than single-family attached units shall be provided within each lot devoted to apartment uses. For single family attached units located on lots devoted to apartment uses, no less than two (2) off-street parking spaces of same area shall be provided.
- 9B-2 ATTACHED LAND USE AREAS
No less than two off-street parking spaces, each containing a minimum area of one hundred eighty (180) square feet, for each dwelling unit shall be provided in proximity to such dwelling unit, and may be included as part of a covered public parking structure provided for residents, tenants and guest.
- 9E OPEN SPACE LAND USE AREAS
No parking requirements are imposed upon any of the land within this Final Development Plan Phase devoted to open space uses. In the event structures are proposed for construction on any portion of such land parking requirements therefore may be imposed by the Howard County Planning Board at the time a site development plan is submitted for approval. Any open space land use areas as may be required for parking purposes by the Howard County Planning Board shall be deducted from the credited open space land use tabulations and denoted as non-credited in accordance with Section 122-A-8.
- 9G SMALL CAR PARKING AREAS
Parking areas specifically designated for small cars (8 feet by 17 feet) may be permitted if shown on a site development plan approved by the Howard County Planning Board and only if the parking they provide is in excess of those spaces required in Paragraphs 9B-1, 9B-2 above respectively.
