Determination of the specific character of "similar minor structures" and setbacks applicable thereto will be made by the Howard County Department of Planning and Zoning.

Fences or walls, if located within setback areas adjacent to a public street, road, or highway upon which construction of structures is prohibited, shall not exceed 3' in height if solid or closed nor 5' in height if open, except in accordance with a site development plan approved by the Howard County Planning Board.

6A. SINGLE FAMILY LOW AND/OR MEDIUM DENSITY

No structure shall be located upon lots devoted to single family low and/or medium density land use within 20 feet of any 50' street right-of-way, nor within 30 feet of any 60' or greater street right-of-way, nor within 100 feet of a principal arterial highway, nor within 7-1/2 feet of any property line not a right-of-way line for a public street, road, or highway, except, however, that structures may be constructed at any location within such setback areas provided all structures and construction is developed in accordance with a site development plan approved by the Howard County Planning Board.

Structures may be located on the property line provided no part of the building shall protrude over the adjoining lot and provided that a maintenance easement agreement be included in the deed where appropriate. Spacing between single family detached dwelling units shall be a minimum of 15 feet. All structures must be developed in accordance with a site development plan approved by the Howard County Planning Board.

The Planning Board may, upon application, designate on a Subdivision Plat, a lot, lots or parcels, as "Common Open Areas" which will not be credited to "Open Space", but, will be credited to the Single Family Low and/or Medium Density of the Phase in which it presently exists.

Permanent access to lots may be provided by means of perpetual common reciprocal access easement as shown on the final subdivision plat.

6B-1 APARTMENT LAND USE AREAS

Buildings and other structures shall be located within apartment land use areas as specified herein. All buildings and other structures must be constructed in accordance with a site development plan approved by the Howard County Planning Board.

- a. No building or structure shall be located upon lots devoted to apartment land use within 30' of the public right-of-way of any public road, street, or highway, nor within 50' of any principal arterial or intermediate divided arterial highway. Any driveway necessary for ingress and egress to and from interior off-street parking areas or service roads shall not be considered a street.
- b. No building or structure shall be located within 40' of any of the property lines of the project.
- c. A minimum of 90' is required between parallel buildings or structures (front to front, rear to rear, front to rear). All other situations require a minimum of 40' between buildings.
- d. No parking spaces or access driveways to parking areas shall be nearer than 20' from an apartment building.
- e. Notwithstanding the provisions of paragraphs a thru d, buildings and other structures may be constructed at any location upon apartment land use areas provided such construction is in accordance with a site development plan approved by the Howard County Planning Board.
- f. Apartment buildings and structures, including accessory buildings and structures, shall not be permitted to cover more than 30 percent of the lot or project area.
- g. If adjacent parcels are under a single ownership and have identical land use, no setback requirement will apply to the common lot line between said parcels.
- h. Sections 12-D-2-d, and 12-E-1 of the Howard County Zoning Regulations and subtitle 5 of the Howard County Code, shall apply to apartment land use areas.
- i. All open spaces in the project areas, except driveways and off-street parking areas, shall be adequately planted and landscaped, as required by the Howard County Planning Board at the time a site development plan is submitted for approval.

6B-2 ATTACHED LAND USE AREAS:

No structure shall be located upon lots devoted to attached land use within 30' feet of the right-of-way of any public street, road, or highway. Structures may be constructed at any location within such setback areas if such construction is in accordance with a site development plan approved by the Howard County Planning Board. Except as restricted by this Paragraph 6B 2, buildings and other structures may be located at any location within attached land use areas. Whenever an attached land use, single family dwelling is constructed, a maintenance agreement for the party wall side of the structure as well as any approved overhangs protruding into the adjacent lot or lots must be included in the deed of conveyance and recording reference of same furnished to the Office of Planning and Zoning. All structures must be developed in accordance with a site development plan approved by the Howard County Planning Board.

Common areas in the project shall be adequately planted and landscaped, as required by the Howard County Planning Board at the time a site development plan is submitted for approval.

Except for attached structures with integral garages, a minimum setback of 20 feet from all interproject public road right-of-ways shall be requested.

6C-EMPLOYMENT CENTER LAND USE AREAS - COMMERCIAL

No structure shall be located within 30 feet of the right-of-way of any public street, road or highway except however, that structures may be constructed at any location within such setback area if such construction is in accordance with a site development plan approved by the Howard County Planning Board. No parking area shall be located within ten (10) feet of any lot line except as may be shown on a site development plan approved by the Howard County Planning Board, except as restricted by this Paragraph. 6C-1 buildings and other structures may be located at any location within commercial land use areas. All structures must be developed in accordance with a site development plan approved by the Howard County Planning Board.

Adequate planting and landscaping must be provided, as required by the Howard County Planning Board at the time a site development plan is submitted for approval, whenever employment center commercial areas are in proximity to a residential land use area.

6D OPEN SPACE LAND USE AREAS

No structure within Open Space Land Use Areas shall be located within thirty (30) feet of the right-of-way of any public street, road, or highway or within twenty-five (25) feet of any property line, except, however, that structures may be constructed at any location upon lots devoted to Open Space Land Use provided such construction is in accordance with a site development plan approved by the Howard County Planning Board. All structures must be developed in accordance with a site development plan approved by the Howard County Planning Board.

7. PERMITTED USES - Section 125-C-3-d(2)

7A-2 SINGLE FAMILY MEDIUM DENSITY LAND USE AREAS

All lots within single family medium density land use areas shall be used only for single family detached medium density residential uses, including private recreation facilities such as swimming pool, tennis courts and basketball courts, reserved for the use of the on-site residents and their guests.
