Continuation of General Notes

- The Forest Conservation Easement areas shown heron were delineated by Exploration Research, Inc.
- Existing Reference Numbers: F-92-53
- WP-92-58 grants approval to:
 - Waive Section 16.113(b)(3) to waive right-of-way dedication along routes 94 and 144.
 - Waive Section 16.115(c)(4) to permit driveway accesses onto Route 94.
 - Waive Section 16.116(c)(6) to permit disturbance within the streambank and wetland buffers for the driveway to serve Lot 1.
 - Waive Section 16.121(b)(2) a.3 to permit a 1"-40' scale.
 - Waive Section 16.117 to waive requirement of creating open space lots or pay a fee-in-lieu.
- This area designates a private sewage easement of at least 10,000 square feet (or 10,000 square feet per lot for shared drain fields associated with a shared sewage disposal facility) as required by the Maryland State Department of the Environment for individual sewerage disposal (COMAR 26.04.03). Improvements of any nature in this area are restricted until public sewerage is available. These easements shall become null and void upon connection to a public sewerage system. The County Health Officer shall have the authority to grant adjustments to the private sewage easement. Recordation of a modified sewage easement shall not be necessary.
- Subject property contains on-site wetlands, wetland buffers, a stream, stream buffers, and floodplain.
- Subject property contains existing dwellings and structures. It does not contain any historic structures, features or cemeteries.
- No grading, removal of vegetative cover or trees, paving and new structures shall be permitted within the limits of wetlands, streams or their required buffers, floodplain and forest conservation easement.
- This amendment plat itself is exempt from forest conservation obligations per Section 16.1202(b)(1)(vii).
- There are existing dwellings/buildings located on Lot 2 to remain. No new buildings, extensions, or additions to the existing dwellings are to be constructed at a distance less than the zoning regulations requirements.

Notes continued, this sheet

Reservation Of Public Utility And Forest Conservation Easements

"Developer reserves unto itself, its successors and assigns, all easements shown on this plan for water, sewer, storm drainage, other public utilities and forest conservation (designated as "Forest Conservation Easement") located in, on, over, and through lot 2. Any conveyances of the aforesaid lots shall be subject to easements herein reserved, whether or not expressly stated in deed(s) conveying said lot(s). Developer shall execute and deliver deeds for easements herein reserved to Howard County, with a Metes and Bounds Description of forest conservation area, upon completion of the public utilities and their acceptance by Howard County, and, in the case of the forest conservation easement(s), upon completion of the Developer's obligation under the Forest Conservation Installation and Maintenance Agreement executed by Developer and the county, and the release of Developer's surety posted with said agreement, the county shall accept the easements and record the deed(s) of easement in the land records of Howard County."

The purpose of this plat is to record an off-site forest conservation easement for the Dunes Vista subdivision, F-07-060. The plat also alters previously recorded building restriction lines and adds environmental setbacks.
