**GENERAL NOTES**

1. This plan is to be used for forest conservation purposes only. It is to be used as a guide for the planting of the trees. The planting is to be inspected and accepted by Howard County in accordance with the agreement with the developer.

2. The plans, specifications, and calculations are based on the best information available. Howard County reserves the right to require changes in any of the plans, specifications, or calculations without notice, if in the opinion of Howard County, such changes are necessary for the safety, comfort, and welfare of the public.

3. Howard County does not guarantee, either directly or indirectly, that the plans, specifications, and calculations are complete or accurate.
