The plans have been reviewed by the Howard Soil Conservation District and meet the erosion requirements for small pond construction, soil erosion and sediment control.

-successor

The plans for small pond construction, soil erosion and sediment control meet the requirements of the Howard Soil Conservation District.

INDENTIFIED PARTY'S OFFICIAL

I certify that this plan for pond construction, erosion and sediment control represents a practical and workable plan based on my personal knowledge of the site conditions. This plan was prepared in accordance with the requirements of the Howard Soil Conservation District. I have reviewed the development that has the potential to cause erosion of the identified property and have determined that the proposed pond construction and erosion control measures will meet the Howard Soil Conservation District guidelines.
