

II. Mounting
Above sign shall be mounted directly below the standard 37-8 Reserved Parking for Handicapped sign. Its bottom edge shall be no less than 7 feet above ground. If the sign is placed against a building, structure, or other location where vehicle or pedestrian traffic is not obstructed the bottom edge of sign shall be at least 6 feet but not more than 10 feet above ground. Because this is in addition to existing sign installations, some adjustment in height will be necessary.

REGULATION
The following is a summary of the provisions of the Code of the City of Baltimore, Maryland, which established a "Reserved Parking for Handicapped" sign. The sign shall be placed in a reserved parking space. The sign shall be placed in a reserved parking space. The sign shall be placed in a reserved parking space.
