

Howard County Traffic Signal Inspection Summary Report:

Signal Number: 041

Location: Columbia Rd. at Old Annapolis Rd.

Inspection Date: May 1, 2018

Inspection Overall Score: 21

Significant Findings:

Poles and paint coating are in overall good condition. Coating is faded, but there is no peeling.

Maintenance Issues:

NW Corner – loose tightening nuts. Mast-arm bolts also need to be checked on this structure as there appears to be some gap between the bolt head and the mounting plate.
